MEMORANDUM FOR: Director of Logistics

ATTENTION : Chief, Administrative Staff, Office of Logistics

25X1

SUBJECT : [redacted]

REFERENCE : Memorandum for Director of Logistics from Acting Chief/DPD, Subject: [redacted] dated 2 May 1962 (DPD-2634)

25X1

1. I have been advised by the Chief, Personnel Branch, DPD that your office would appreciate additional justification to support our reference request that [redacted] remain at his present location until January 1963 despite the fact that his replacement will be in place approximately 1 September.

25X1

2. The activity of the unit to which [redacted] is now assigned has been steadily and rapidly increasing. The supply function has particularly felt this stepped-up pace. We are now in the process of requesting some eight or nine additional supply positions in an effort to meet the workload. Assuming this request for additional positions is approved, it will of necessity be several months before the personnel for these positions can be in place. [redacted] could be of invaluable assistance during this soaring-up period.

3. In addition to the above, further justification for his services until January results from the fact that the present incumbent of the second supply officer position is scheduled to be replaced in November. It is especially important that the Station have the benefit of [redacted] intimate familiarity with the operation involved.

25X1

4. For these reasons we urgently request your approval of his retention in place until January 1963. We would like to assure you that this relatively long overlap between [redacted] and [redacted] in no way reflects upon our estimation of [redacted] ability to assume the responsibilities of the position.
